

CalPERS 457 Deferred Compensation Plan Document

The purpose of the California Public Employees' Deferred Compensation Plan (the "Plan") is to provide deferred compensation for California public employees that elect to participate in the Plan. This Plan is established pursuant to sections 21670 through 21685 of the Government Code of the State of California and is intended to constitute an "eligible deferred compensation plan" within the meaning of section 457 of the Federal Internal Revenue Code. Except as otherwise provided herein, this amendment and restatement of the Plan is effective April 30, 2014.

Article 1 - Definitions

The following terms when used herein shall have the following meaning:

1.1 Account: The bookkeeping account maintained with respect to each Participant which reflects the value of the deferred compensation credited to the Participant, including the Participant's Deferrals, the earnings or loss of the Fund (net of Fund expenses) allocable to the Participant, any Transfers for the Participant's benefit, and any distributions made to the Participant or the Participant's Beneficiary.

If a Participant has more than one Beneficiary at the time of the Participant's death, then a separate Account Balance shall be maintained for each Beneficiary. The Account Balance includes any account established under Section 7.2 for rollover contributions and plan-to-plan transfers made for a Participant, the account established for a Beneficiary after a Participant's death, and any account or accounts established for an alternate payee (as defined in section 414(p)(8) of the Code).

1.2 Adoption Agreement: The agreement under which an Employer becomes a participating Employer under this Plan.

1.3 Beneficiary: The person or persons designated by the Participant to receive distributions from the Participant's Account after the Participant's death. A designated person may include, but is not limited to, one or more of the following: an individual, trust, corporation or firm, or the estate of the Participant. A designation shall be made on a Board-approved beneficiary designation form.

1.4 Board: The Board of Administration of CalPERS.

1.5 Code: The Federal Internal Revenue Code of 1986, as amended from time to time.

1.6 Deferral: An amount credited to a Participant's Account by reason of the Participant's agreement to defer a portion of his or her salary or wages.

1.7 Deferral Agreement: The agreement between an Employer and an Employee, including any amendments thereto, which specifies the amount of Deferrals to be made by the Employee. Each Deferral Agreement or amendment thereto shall be made or confirmed in writing under procedures established by the Board.

1.8 Eligible Deferred Compensation Plan: An eligible governmental plan as defined in Section 1.457-2(f) of the Income Tax Regulations.

1.9 Employee: Any individual who is a common law employee of an Employer and is a member of CalPERS or for whom the Board is otherwise authorized to administer this Plan under the Government Code. An Employee does not include an independent contractor.

1.10 Employer: Any political subdivision of the State of California, or any agency or instrumentality of the State of California or political subdivision of the State of California for which the Board is authorized to administer this Plan under the Government Code and that has become a participating employer under this Plan pursuant to Article 2. Where required by the context, references to the Employer shall mean the current or former Employer of the Employee or Participant.

1.11 Fund: The Public Employees' Deferred Compensation Fund that has been established as part of the Plan pursuant to section 21676 of the Government Code. For purposes of Section 9.1 of this Plan, the Fund shall not include the asset management and services account maintained pursuant to section 21678 of the Government Code.

1.12 Government Code: Those statutes of the State of California that have been codified as the Government Code.

1.13 Includible Compensation: A Participant's compensation, as defined in Section 415(c)(3) of the Code, for services performed for the Employer. Includible Compensation shall be determined without regard to any community property laws.

1.14 Investment Option: One of the available alternatives for crediting investment earnings to a Participant's Account, which shall be based upon the performance of one or a combination of the investment portfolios maintained under the Fund.

1.15 Normal Retirement Age: The age used to determine the three-year period in which a Participant may utilize the catch-up limitation under Section 4.3 A Participant may designate as his or her Normal Retirement Age the age that will be attained in any Year that is not earlier than the earliest Year in which the Participant will be eligible to retire without actuarial or similar reduction under CalPERS or another retirement system and that is not later than age 70-1/2.

Once a Participant has utilized the catch-up limitation under Section 4.3 or under a comparable provision of another Eligible Deferred Compensation Plan, that Participant's Normal Retirement Age may not thereafter be changed. An Employer sponsoring more than one Eligible Deferred Compensation Plan may not permit a Participant to have more than one Normal Retirement Age under the Eligible Deferred Compensation Plans it sponsors.

1.16 Participant: Any Employee or former Employee for whom a Deferral has been credited under the Plan and for whom an Account is maintained.

1.17 CalPERS: The California Public Employees' Retirement System.

1.18 Plan: The California Public Employees' Deferred Compensation Plan established pursuant to sections 21670 through 21685 of the Government Code, the terms of which are set forth in this Plan document. To the extent required under section 457 of the Code, each Employer's participation in this Plan shall be treated as a separate plan, and each Employer's separate plan shall be deemed to include any other Eligible Deferred Compensation Plan maintained by that Employer.

1.19 Required Beginning Date: April 1st of the Year following the Year of a Participant's attainment of age 70-1/2 or Severance from Employment, whichever is later.

1.20 Self-Managed Account: A brokerage account established by a Participant through which such Participant makes self-directed investments with respect to amounts reflected in the Participant's account. This self-directed brokerage window is only available to a Participant who is an Employee of an Employer that has adopted the Self-Managed Account option.

1.21 Severance from Employment: The date that the Employee dies, retires, or otherwise has a severance from employment with the Employer, as determined by the Employer (and taking into account guidance issued under the Code). An Employee's rights upon Severance from Employment with an Employer shall be unaffected by whether the Employee thereafter becomes an Employee of another Employer that has adopted this Plan.

1.22 Transfer: An amount credited to a Participant's Account by reason of a transfer from another Eligible Deferred Compensation Plan.

1.23 Trustee: The Board of Administration of CalPERS.

1.24 Unforeseeable Emergency: A severe financial hardship of the Participant resulting from: an illness or accident of the Participant, the Participant's spouse, the Participant's domestic partner pursuant to a state domestic relations law who is a designated primary Beneficiary or the Participant's dependent (as defined in Section 152(a) of the Code, without regard to Section 152(b)(1), (b)(2), and (d)(1)(B)); loss of the Participant's property due to casualty (including the need to rebuild a home following damage to a home not otherwise covered by homeowner's insurance, e.g., as a result of a natural disaster); the need to pay for the funeral expenses of the

Participant's spouse or dependent (as defined in Section 152(a) of the Code, without regard to Section 152(b)(1), (b)(2), and (d)(1)(B)); or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant. For example, the imminent foreclosure of or eviction from the Participant's primary residence may constitute an Unforeseeable Emergency.

In addition, the need to pay for medical expenses, including non-refundable deductibles, as well as for the cost of prescription drug medication, may constitute an Unforeseeable Emergency. A need to send a child to college or to purchase a new home shall not constitute an Unforeseeable Emergency.

1.25 Year: A calendar year.

Article 2 - Employer Participation

2.1 Initial Participation: This Plan shall be available to the Employees of an Employer only if the Employer has executed an Adoption Agreement and provided the Board with such information as the Board deems necessary to administer the Plan on behalf of the Employer. CalPERS, in its sole discretion, will decide whether an Employer may participate in this Plan.

2.2 Terms of Participation: By executing an Adoption Agreement, an Employer agrees to adhere to all terms and conditions of the Plan, as amended from time to time, to invest all Deferrals and Transfers in the Fund, and to follow all administrative procedures established by the Board. Except as otherwise provided herein, the terms of this Plan shall apply on a uniform basis to all Employers participating hereunder. The Board may, in its sole discretion, upon sixty (60) days advance written notice terminate an Adoption Agreement with an Employer for participation of its Employees in the Plan.

2.3 Duration of Employer Participation: In the event that an Employer withdraws from participation in the Plan, all amounts credited to the Accounts of the Employer's participating Employees will continue to be held in the Fund and will be distributed in accordance with the terms of the Plan, except to the extent of any transfers from the Plan pursuant to Section 7.3.

Article 3 - Employee Participation

3.1 Eligibility: Except as provided in section 21670 of the Government Code, all Employees of an Employer shall be eligible to participate in the Plan. Notwithstanding the above, an Employee who is a minor may only participate in this Plan to the extent he or she may enter into an enforceable contract that cannot be disaffirmed by the minor.

3.2 Initial Enrollment: In order to become a Participant, an Employee must enter into a Deferral Agreement, which shall become effective no earlier than the calendar month following the month in which the agreement is made. A Deferral Agreement will be given effect only if the Deferral amount elected therein satisfies whatever minimum the Board may establish, and the Employee provides all information called for on the agreement form.

3.3 Effect of Deferral Agreement: Commencing with the effective date of an Employee's Deferral Agreement, his or her gross salary or wages shall be reduced by the Deferral amount specified in the Deferral Agreement. Deferrals shall continue to be made in such amount unless and until the Deferral Agreement is amended or the Employee has a Severance from Employment with the Employer. Subject to the limitations of Article 4, Deferrals shall not be subject to Federal or California income tax withholding and shall not be reported as gross income on the Employee's annual wage statement (Form W-2). However, Deferrals shall be subject to FICA taxation when earned.

3.4 Amendment of Deferral Agreement: A Participant may amend or revoke his or her Deferral Agreement at any time, provided, however, that no change in the amount of a Participant's Deferrals will become effective until the calendar month following the month in which the Deferral Agreement is amended.

3.5 Investment Options: Upon initial enrollment in the Plan, the Participant's future Deferral will be invested in the Plan's designated "default" option for investment of contributions unless the Participant makes an affirmative investment election to the contrary prior to the date his or her Deferral is first invested. To the extent the Participant does not wish to have his or her contributions invested in the designated "default" Investment Option, the Participant may designate another Investment Option or Investment Options to which his or her Deferrals are to be allocated or elect to make investments through a Self-Managed Account, as applicable. A Participant may thereafter re-allocate his or her Account balance among the available Investment Options or through a Self-Managed Account, as applicable. The minimum amounts or percentages that may be allocated among Investment Options and/or through a Self-Managed Account, as applicable, and the timing and frequency of re-allocations, shall be subject to such limitations and procedures as the Board may from time to time establish. In addition, investments and trading with respect to a Self-Managed Account will be subject to any rules or restrictions adopted by the third party provider that administers such accounts.

3.6 Beneficiary Designation: Upon enrollment, the Participant shall designate a Beneficiary to receive distributions from the Participant's Account in the event of the Participant's death. A Participant may change his or her designated Beneficiary at any time, provided that an amended Beneficiary designation shall be given effect only if it is signed by the Participant and delivered to a Plan representative (or post-marked for delivery) prior to the Participant's death. The last Beneficiary designation form signed by the Participant and delivered to a Plan representative as described above shall revoke all prior Beneficiary designations. A Participant may designate any

person or persons as Beneficiaries, except as described below. Unless otherwise provided in the Beneficiary designation form, each designated Beneficiary shall be entitled to equal shares of the benefits payable after the Participant's death. If the Participant fails to designate a Beneficiary, or if no designated Beneficiary survives the Participant for a period of fifteen (15) days, or a beneficiary designation form is not in good order, then the estate of the Participant shall be the Beneficiary. Notwithstanding the foregoing, a Participant's Beneficiary designation shall not be given effect and shall be overridden to the extent that such a designation would impair the rights of any surviving spouse under applicable law. For example, if the Participant is legally married or in a registered domestic partnership, the Participant may not designate a non-spouse or non-domestic partner as the Participant's sole primary Beneficiary, as applicable, without a valid written waiver from the Participant's spouse or domestic partner. Failure to satisfy state law requirements with respect to a Participant's Beneficiary designation shall invalidate the Beneficiary designation to such non-spouse or non-domestic partner.

3.7 Additional Deferrals: An Employer may make additional Fund investments with respect to any Employee, resulting in additional credits to the Account of such Employee. Any such additional credits shall be treated as Deferrals for all purposes of the Plan. The Employer shall notify the Board of any such additional Deferrals, and each Employee for whom such Deferrals are to be made must complete a Deferral Agreement, regardless of whether elective Deferrals are to be made by such Employee.

Article 4 - Deferral Limitations

4.1 General Limitation: Except as provided in Section 4.2 or 4.3, a Participant's Deferrals for a Year shall not exceed the lesser of:

- (a) the Applicable Dollar Amount, or
- (b) the Participant's Includible Compensation for the Year.

The Applicable Dollar Amount is the amount established under section 457(e)(15) of the Code, and is \$17,500 for 2013 and 2014.

The Applicable Dollar Amount is adjusted for the cost-of-living from time to time to the extent provided under Section 415(d) of the Code.

4.2 Age 50 Catch-up Deferral Contributions: A Participant who will attain age 50 or more by the end of the Year is permitted to elect an additional amount of Deferrals, up to the maximum Age 50 Catch-up Deferrals for the year. The maximum dollar amount of the Age 50 Catch-up Deferrals is \$5,500 for 2013 and 2014.

The maximum dollar amount of the Age 50 Catch-up Deferrals is adjusted for the cost-of-living from time to time to the extent provided under the Code.

4.3 Special Section 457 Catch-up Limitation: If a Participant has designated a proper Normal Retirement Age in the manner established by the Board, then for one or more of the three (3) Years ending before the Year in which a Participant attains that Normal Retirement Age, the Participant's Deferrals shall not exceed the lesser of:

(a) An amount equal to 2 times the Section 4.1 Applicable Dollar Amount for such year, or

(b) The sum of:

(1) An amount equal to (A) the aggregate Section 4.1 limit for the current year plus each prior calendar year beginning after December 31, 2001 during which the Participant was an Employee under the Plan, minus (B) the aggregate amount of salary and wages that the Participant deferred under the Plan during such years, plus

(2) An amount equal to (A) the aggregate limit referred to in Section 457(b)(2) of the Code for each prior calendar year beginning after December 31, 1978 and before January 1, 2002 during which the Participant was an Employee (determined without regard to Sections 4.2 and 4.3), minus (B) the aggregate contributions to Pre-2002 Coordination Plans for such years.

4.4 Special Rules: For purposes of this Section 4, the following rules shall apply:

(a) Participant Covered By More Than One Eligible Plan. If the Participant is or has been a participant in one or more other eligible plans within the meaning of Section 457(b) of the Code, then this Plan and all such other plans shall be considered as one plan for purposes of applying the foregoing limitations of this Section 4. For this purpose, the Employer shall take into account any other such eligible plan maintained by the Employer and shall also take into account any other such eligible plan for which the Employer receives from the Participant sufficient information concerning his or her participation in such other plan.

(b) Pre-Participation Years. In applying Section 4.3, a year shall be taken into account only if (i) the Participant was eligible to participate in the Plan during all or a portion of the year and (ii) salary and wages, if any, under the Plan during the year was subject to the Basic Annual Limitation described in Section 4.1 or any other plan ceiling required by Section 457(b) of the Code.

(c) Pre-2002 Coordination Years. For purposes of Section 4.3(b)(2)(B), "contributions to Pre-2002 Coordination Plans" means any employer contribution, salary reduction or elective contribution under any other eligible Code Section 457(b) plan, or a salary reduction or elective contribution under any Code Section 401(k) qualified cash or deferred arrangement, Code Section 402(h)(1)(B) simplified employee pension (SARSEP), Code Section 403(b) annuity contract, and Code Section 408(p) simple retirement account, or under any plan for which a deduction is allowed because of a contribution to an organization described in Section 501(c)(18) of the Code, including plans, arrangements or accounts maintained by the Employer or any employer for whom the Participant performed services. However, the contributions for

any calendar year are only taken into account for purposes of Section 4.3(b)(2)(B) to the extent that the total of such contributions does not exceed the aggregate limit referred to in Section 457(b)(2) of the Code for that year.

(d) Disregard Excess Deferral. For purposes of Sections 4.1, 4.2 and 4.3, an individual is treated as not having deferred compensation under a plan for a prior taxable year to the extent Excess Deferrals under the plan are distributed, as described in Section 4.6. To the extent that the combined deferrals for pre-2002 years exceeded the maximum deferral limitations, the amount is treated as an Excess Deferral for those prior years.

4.5 Deferrals Prior To or After Severance from Employment, Including Sick, Vacation, and Back Pay:

A participant who has not had a severance from employment may elect to defer accumulated sick pay, accumulated vacation pay, and back pay under the following terms:

(a) deferrals attributable to accumulated sick pay, accumulated vacation pay, and back pay may be deferred for any calendar month only if an agreement providing for the deferral is entered into before the beginning of the month in which the amounts would otherwise be paid or made available and the participant is an employee on the date the amounts would otherwise be paid or made available, or

(b) deferrals attributable to accumulated sick pay, accumulated vacation pay, and back pay may be made for former employees with respect to compensation described in Section 1.415(c)-2(e)(3)(ii) of the Income Tax Regulations (relating to certain compensation paid within 2½ months following severance from employment), compensation described in Section 1.415(c)-2(g)(4) of the Income Tax Regulations (relating to compensation paid to participants who are permanently and totally disabled), and compensation relating to qualified military service under Section 414(u) of the Code.

4.6 Correction of Excess Deferrals: If the Deferrals on behalf of a Participant for any calendar year exceed the limitations described above, or the Deferrals on behalf of a Participant for any calendar year exceed the limitations described above when combined with other amounts deferred by the Participant under another Eligible Deferred Compensation Plan for which the Participant provides information that is accepted by the Employer, then the Deferral, to the extent in excess of the applicable limitation (adjusted for any income or loss in value, if any, allocable thereto), shall be distributed to the Participant.

4.7 Protection of Persons Who Serve in a Uniformed Service: An Employee whose employment is interrupted by qualified military service under Section 414(u) of the Code or who is on a leave of absence for qualified military service under Section 414(u) of the Code may elect to make additional Deferrals upon resumption of employment with the Employer equal to the maximum Deferrals that the Employee could have elected during that period if the Employee's employment with the Employer had continued (at the same level of salary or wages) without the interruption or leave, reduced by the Deferrals, if any, actually made for the Employee during the period of the interruption or leave. This right applies for five years following the resumption of employment (or, if sooner, for a period equal to three times the period of the interruption or leave). Effective January 1, 2007, if a Participant dies while performing qualified military service (as defined in Section 414(u) of the Code), the Participant's Beneficiaries shall be entitled to receive any additional benefits (other than additional credits described in Section 3.7 or similar benefit accruals relating to the period of qualified military service) provided under the Plan, as if the Participant had resumed employment and subsequently experienced a Severance from Employment on account of death.

Article 5 - Participant Accounts

5.1 Crediting of Accounts: All Deferrals and Transfers with respect to a Participant shall be credited to the Participant's Account as of the date such amounts are invested in the Fund in accordance with the procedures established by the Board. The Employer shall remit to CalPERS all Deferrals and Transfers directed by Participants to be invested in the Fund as soon as reasonably practicable after such amounts are withheld from the Participant's salary or wages or are available from the transferor plan, as applicable.

5.2 Account Balances: The value, or balance, of each Participant's Account shall equal the aggregate value of the Fund investments held with respect to the Participant, based on the Investment Options selected by the Participant, and the method of valuation established by the Board. Each Participant shall periodically receive a statement which shows his or her Account balance and summarizes any credits or other transactions since the preceding statement. In the event that an individual has participated in this Plan by reason of employment with two or more Employers, separate Accounts shall be maintained for such individual with respect to each employment relationship.

Article 6 - Distributions

6.1 Commencement of Distributions upon Severance from Employment: Upon a Participant's Severance from Employment with an Employer (including a Severance from Employment described in Section 6.8), the Participant may elect to receive distributions under one of the optional distribution forms described in Section 6.2, or the Participant may elect a deferred commencement date under Section 6.3. If no election is made by the date the Participant attains age 70-1/2 (or, if later, 30 days after the Participant's Severance from Employment), distributions shall commence in accordance with Section 6.9.

6.2 Optional Distribution Forms: Prior to the commencement date under Section 6.1 or Section 6.3, as applicable, the Participant may elect to have his or her Account distributed in one of the following forms:

- (a) a single lump sum payment;
- (b) installment payments for a period of years (payable on an annual, semi-annual, quarterly, or monthly basis) which extends no longer than the life expectancy of the Participant or such longer period as permitted under Section 6.9(b);
- (c) partial lump sum payment of a designated amount;
- (d) any combination of the above forms of distribution; or
- (e) such other form of installment payments as may be approved by the Board consistent with the limitations of Section 6.9.

The Participant or a Beneficiary, after a Participant's death, may request a change to the form of distribution initially elected under this Section. Any such election must be made in writing at least 60 days prior to the effective date of the change. The Participant's distributions made under a subsequent election shall be under one of the optional distribution forms described in this Section.

6.3 Deferred Commencement Date: A Participant may elect a deferred commencement date for part or all of the Participant's Account balance at any time prior to the calendar year the Participant attains age 70-1/2 (or, if later, 30 days after the Participant's Severance from Employment). Such date may not be later than the Participant's Required Beginning Date.

6.4 In-Service Distributions From Rollover Account: If a Participant has a separate account attributable to rollover contributions to the Plan, the Participant may at any time elect to receive a distribution of all or any portion of the amount held in the rollover account under any optional distribution form described in Section 6.2.

6.5 Cash-outs and Combined Payments: The Board reserves the right to adopt guidelines, which shall be uniformly applied to all Plan Participants and Beneficiaries, under which Account balances below a specified level may be distributed in a lump sum upon Severance from Employment or at a deferred commencement date and installment payments below a specified amount may be combined and paid at less frequent intervals (but not less frequently than annually). In addition, the Board reserves the right, subject to the limitations of section 457(e)(9)(A) of the Code, to establish uniform guidelines under which a Participant's Account balances may be distributed in a lump sum either before or after the Participant's Severance from Employment, and either with or without the Participant's consent, provided that (i) the Participant's Account balance does not exceed \$1,000 in the case of a distribution without the Participant's consent (\$5,000 before March 28, 2005), (ii) the Participant's Account balance does not exceed \$5,000 in the case of a distribution with the Participant's consent, (iii) no Deferral has been credited to the Participant's Account in the preceding twenty-four (24) months, and (iv) no prior payment has been made to the Participant under Section 6.1 or this Section 6.5.

6.6 Unforeseeable Emergency Distributions: In the event of an Unforeseeable Emergency prior to or after the commencement of distributions, a Participant may apply to receive that part of the value of the Participant's Account that is reasonably needed to satisfy the emergency need, including any income tax resulting from the distribution. Payment will not be made to the extent that the financial hardship may be satisfied through cessation of Deferrals, insurance or other reimbursement, or a liquidation of other assets to the extent such liquidation would not itself cause severe financial hardship.

6.7 Death Benefits: Upon the Participant's death, the Participant's remaining Account balance shall be payable to the Beneficiary as soon as reasonably practicable after the Participant's death, unless the Beneficiary elects a deferred commencement date that is consistent with the limitations set forth below. Prior to the Beneficiary's commencement date, the Beneficiary may elect to receive the Participant's remaining Account balance under any optional distribution form described in Section 6.2, provided that the elected distribution form satisfies the limitations set forth below.

(a) If the Participant dies prior to the Participant's Required Beginning Date and the Beneficiary is the Participant's surviving spouse, the commencement date shall be no later than the last day of the Year in which the Participant would have attained age 70-1/2 (or, if later, the Year immediately following the Year of the Participant's death) and shall be paid over a period that does not exceed the Beneficiary's life expectancy using the single life table in Section 1.401(a)(9)-9, A-1, of the Income Tax Regulations for the spouse's age on the spouse's birthday for that year.

(b) If the Participant dies prior to the Participant's Required Beginning Date and the Beneficiary is not the Participant's surviving spouse, the entire Account balance shall be distributed no later than (i) the last day of the Year which includes the fifth (5th) anniversary of the Participant's death, or (ii) if distributions to the Beneficiary commence by the last day of the Year

immediately following the Year of the Participant's death, the entire Account balance shall be distributed over the Beneficiary's life expectancy determined in the year following the year of the Participant's death using the single life table in Section 1.401(a)(9)-9, A-1, of the Income Tax Regulations for the Beneficiary's age on the Beneficiary's birthday for that year, reduced by one for each year that has elapsed after that year.

(c) If the Participant dies after the Participant's Required Beginning Date or after the commencement of distributions in the form of an annuity, the Beneficiary may not elect to defer the commencement of death benefits, and the Participant's remaining Account shall be distributed at least as rapidly as under the method selected by the Participant.

(d) In the event that a Beneficiary dies before all payments to the Beneficiary have been completed, the remaining value of the Participant's Account shall be paid to the estate of the Beneficiary in a lump sum.

(e) If there are two or more Beneficiaries, the provisions of this Section 6.7 and Section 6.9 shall be applied separately to each Beneficiary with respect to that Beneficiary's share in the Participant's Account.

(f) No Beneficiary shall have any right of recovery against the Employer or the Plan for any distributions that are made in the name of the Participant before a Plan representative has been duly notified of the Participant's death.

6.8 Uniformed Service Member Distributions: Effective January 1, 2009, a Participant who is performing service in the uniformed services (as defined in chapter 43 of title 38, United States Code) and on active duty for a period of more than 30 days will be treated as if he has experienced a "Severance from Employment" under Section 6.1 above, in accordance with section 414(u)(12)(B) of the Code. Such Participant may elect to receive a distribution of all or a portion of his Account; provided, however, that the Participant will not be required to take a distribution under this Section 6.8. A Participant who elects to receive a distribution pursuant to this Section 6.8 will be precluded from making Deferrals to the Plan during the six (6) month period beginning on the date of such distribution.

6.9 Latest Distribution Date:

(a) In general. In no event shall any distribution under this Section 6 begin later than the Required Beginning Date. If distributions commence in the calendar year following the later of the calendar year in which the Participant attains age 70-1/2 or the calendar year in which the Severance from Employment occurs, the distribution on the date that distribution commences must be at least equal to the minimum installment payment for the year that the Participant has a Severance from Employment (determined under paragraph (b)) and an amount at least equal to the minimum installment payment for the year after Severance from Employment (determined under paragraph (b)) must also be paid before the end of the calendar year of commencement.

(b) Minimum installment amount. Unless a lower amount is permitted under Code Section 401(a)(9), the minimum installment amount is the amount payable equal to a fraction of the Account balance equal to one divided by the distribution period set forth in the Uniform Lifetime Table at Section 1.401(a)(9)-9, A-2, of the Income Tax Regulations for the Participant's age on the Participant's birthday for that year. If the Participant's age is less than age 70, the distribution period is 27.4 plus the number of years that the Participant's age is less than age 70. The Account balance for this calculation (other than the final installment payment) is the Account balance as of the end of the year prior to the year for which the distribution is being calculated.

6.10 Distributions/Rollovers from Fund:

(a) In general. Except as otherwise provided herein, all distributions shall be made directly from the Fund to the Participant or Beneficiary. To the extent required by law, income and other taxes shall be withheld from each benefit payment, and payments shall be reported to the appropriate governmental agency or agencies.

(b) Rollover Distributions. A Participant, the surviving spouse of a Participant (or a Participant's former spouse who is the alternate payee under a domestic relations order, as defined in Section 414(p) of the Code), or a nonspouse Beneficiary who is entitled to an eligible rollover distribution may elect, at the time and in the manner prescribed by the Board, to have all or any portion of the distribution paid directly to an eligible retirement plan specified by the Participant in a direct rollover.

(c) Definitions. For purposes of this Section 6.11, an eligible rollover distribution means any distribution of all or any portion of a Participant's Account balance, except that an eligible rollover distribution does not include (a) any installment payment under Section 6.2 for a period of 10 years or more (b) any distribution made under Section 6.6 as a result of an unforeseeable emergency, or (c) for any other distribution, the portion, if any, of the distribution that is a required minimum distribution under Section 401(a)(9). In addition, an eligible retirement plan means an individual retirement account described in Section 408(a) of the Code, an individual

retirement annuity described in Section 408(b) of the Code, a qualified trust described in Section 401(a) of the Code, an annuity plan described in Section 403(a) or 403(b) of the Code, an eligible governmental plan described in Section 457(b) of the Code, or a Roth individual retirement account described in Section 408A of the Code, that accepts the eligible rollover distribution.

Article 7 - Transfers

7.1 Acceptance of Transfers: A Transfer will be accepted and credited to a Participant's Account under the Plan if such Transfer is made from another Eligible Deferred Compensation Plan maintained by the Employer or another employer and is made in cash or other property that the Board accepts for investment in the Fund. Any Transfer so credited to a Participant's Account shall be invested in the Fund, and the portion of the Participant's Account balance attributable to such Transfer shall be distributed in accordance with the terms of the Plan.

7.2 Eligible Rollover Contributions to the Plan:

(a) A Participant who is an Employee and who is entitled to receive an eligible rollover distribution from another eligible retirement plan may request to have all or a portion of the eligible rollover distribution paid to the Plan. The Board may require such documentation from the distributing plan as it deems necessary to effectuate the rollover in accordance with Section 402 of the Code and to confirm that such plan is an eligible retirement plan within the meaning of Section 402(c)(8)(B) of the Code.

(b) For purposes of this Section 7.2, an eligible rollover distribution means any distribution of all or any portion of a Participant's benefit under another eligible retirement plan, except that an eligible rollover distribution does not include (1) any installment payment for a period of 10 years or more, (2) any distribution made as a result of an unforeseeable emergency or other distribution which is made upon hardship of the employee, or (3) for any other distribution, the portion, if any, of the distribution that is a required minimum distribution under Section 401(a)(9) of the Code. In addition, an eligible retirement plan means an individual retirement account described in Section 408(a) of the Code, an individual retirement annuity described in Section 408(b) of the Code, a qualified trust described in Section 401(a) of the Code, an annuity plan described in Section 403(a) or 403(b) of the Code, or an eligible governmental plan described in section 457(b) of the Code, that accepts the eligible rollover distribution.

(c) The Plan shall establish and maintain for the Participant a separate account for any eligible rollover distribution paid to the Plan from any eligible retirement plan that is not an eligible governmental plan under Section 457(b) of the Code. In addition, the Plan shall establish and maintain for the Participant a separate account for any eligible rollover distribution paid to the Plan from any eligible retirement plan that is an eligible governmental plan under Section 457(b) of the Code.

7.3 Transfers to other Plans:

(a) At the election of a Participant, all or a portion of the Participant's Account balance may be transferred to another Eligible Deferred Compensation Plan maintained by the Employer or another employer of the Participant, provided that such other plan accepts transfers and the transfer is otherwise in accordance with Section 457(e)(10) of the Code and Section 1.457-10(b) of the Income Tax Regulations.

(b) In connection with an Employer withdrawal from participation in the Plan, such Employer may direct the transfer of all Participant Account balances to another Eligible Deferred Compensation Plan, provided that such other plan accepts transfers and the transfer is otherwise in accordance with Section 457(e)(10) of the Code and Section 1.457-10(b) of the Income Tax Regulations.

7.4 Transfer Conditions: The Board reserves the right to limit the terms and conditions under which Transfers will be accepted from or made to other Eligible Deferred Compensation Plans, including requiring such documentation from the other plan as it deems necessary to effectuate the transfer in accordance with Section 457(e)(10) of the Code and Section 1.457-10(b) of the Income Tax Regulations and to confirm that the other plan is an Eligible Deferred Compensation Plan.

7.5 Permissive Service Credit Transfers: If a Participant is also a participant in a tax-qualified defined benefit governmental plan (as defined in Section 414(d) of the Code) that provides for the acceptance of plan-to-plan transfers with respect to the Participant, then the Participant may elect to have any portion of the Participant's Account balance transferred to such defined benefit governmental plan as may be permitted by such defined benefit governmental plan. A transfer under this Section 7.5 may be made before the Participant has had a Severance from Employment; provided, however, that such a transfer may be made only if the transfer is either for the purchase of permissive service credit (as defined in Section 415(n)(3)(A) of the Code) under the receiving defined benefit governmental plan or a repayment to which Section 415 of the Code does not apply by reason of Section 415(k)(3) of the Code.

Article 8 – Loans

8.1 Loans: A Participant who is an Employee of an Employer that has adopted the Loan Provision for its Employees may apply for and receive a loan from his or her Account Balance as provided in this Section 8. Any such loan may not be for an amount less than \$1,000.

8.2 Maximum Loan Amount: No loan to a Participant hereunder may exceed the lesser of:

(a) \$50,000, reduced by the greater of (i) the outstanding balance on any loan from the Plan to the Participant on the date the loan is made or (ii) the highest outstanding balance on loans from the Plan to the Participant during the one-year period ending on the day before the date the loan is approved by the Plan (not taking into account any payments made during such one-year period), or

(b) one half of the value of the Participant's vested Account Balance (as of the Valuation Date immediately preceding the date on which such loan is approved by the Plan).

For purposes of this Section 8.2, any loan from any other plan maintained by a participating employer shall be treated as if it were a loan made from the Plan, and the Participant's vested interest under any such other plan shall be considered a vested interest under this Plan; provided, however, that the provisions of this paragraph shall not be applied so as to allow the amount of a loan under this Section 8.2 to exceed the amount that would otherwise be permitted in the absence of this paragraph.

8.3 Terms of Loan: The terms of the loan shall:

(a) require level amortization with payments not less frequently than quarterly throughout the repayment period, except that alternative arrangements for repayment may apply in the event that the borrower is on an bona fide unpaid leave of absence for a period not to exceed one year for leaves other than a qualified military leave within the meaning of Section 414(u) of the Code or for the duration of a leave which is due to qualified military service;

(b) require that the loan be repaid within five years; and

(c) provide for interest at a rate equal to one percentage point above the prime rate as published in the Wall Street Journal on the first business day of the month in which the loan is approved by the Plan.

8.4 Security for Loan; Default:

(a) Security. Any loan to a Participant under the Plan shall be secured by the pledge of the portion of the Participant's interest in the Plan invested in such loan.

(b) Default. In the event that a Participant fails to make a loan payment under this Section 8 within the last day of the quarter following the quarter when the payment is due, a default on the loan shall occur. The rules that apply in the event of such a default shall be governed by separate loan procedures to be adopted by the Board.

8.5 Repayment: The Participant shall be required, as a condition to receiving a loan, to enter into an irrevocable agreement authorizing the Employer to make payroll deductions from his or her Compensation as long as the Participant is an Employee and to transfer such payroll deduction amounts to the Trustee in payment of such loan plus interest. Repayments of a loan shall be made by payroll deduction of equal amounts (comprised of both principal and interest) from each paycheck, with the first such deduction to be made as soon as practicable after the loan funds are disbursed; provided however, that a Participant may prepay the entire outstanding balance of his loan at any time (but may not make a partial prepayment); and provided, further, that if any payroll deductions cannot be made in full because a Participant is on an unpaid leave of absence or is no longer employed by a participating employer (that has consented to make payroll deductions for this purpose) or the Participant's paycheck is insufficient for any other reason, the Participant shall pay directly to the Plan the full amount that would have been deducted from the Participant's paycheck, with such payment to be made by the last business day of the calendar month in which in which the amount would have been deducted.

Article 9 - Participant Rights

9.1 Participants' Interest in the Fund: The Fund shall constitute a trust held for the exclusive benefit of Participants and Beneficiaries under the Plan. The Board is the Trustee of the Fund. No part of the corpus or income of the Fund shall be used for, or diverted to, purposes other than for the exclusive benefit of Participants and their Beneficiaries, and no Employer or creditor of an Employer shall have any interest in or claim against any part of the assets of the Fund.

9.2 Benefits Based on Account Balances: The benefits payable to each Participant (and his or her Beneficiary) shall be measured by and limited to the amounts properly credited to the Participant's Account. A Participant shall have no claim under the Plan for any loss or diminution of his or her Account balance that is attributable to any loss in the value of the investment portfolios of the Fund that correspond with the Investment Options selected by the Participant or in connection with any other investment selected by the Participant through a Self-Managed Account.

9.3 Nonassignability: Except as provided in Section 9.4, the rights of a Participant or Beneficiary under this Plan may not be sold, assigned, pledged, committed, transferred, or otherwise conveyed, and any attempt to assign or transfer rights or benefits under this Plan shall not be recognized. Except as otherwise required by law, the rights of a Participant or Beneficiary under this Plan shall not be subject to attachment, garnishment, or execution, or to transfer by operation of law in the event of bankruptcy or insolvency of the Participant or Beneficiary or otherwise.

9.4 Transfers under Domestic Relations Orders: To the extent required under a final judgment, decree, or order (including approval of a property settlement agreement) made pursuant to a state domestic relations law, any portion of a Participant's Account may be paid or set aside for payment to a spouse, former spouse, or child of the Participant. Where necessary to carry out the terms of such an order, a separate account shall be established with respect to the spouse, former spouse, or child who shall be entitled to choose Investment Options in the same manner as the Participant. Any amount so set aside for a spouse, former spouse, or child shall be paid out in a lump sum, unless the judgment, decree, or order directs a different form of payment. The Board also may adopt administrative procedures to permit payment to be made without regard to whether the Participant is eligible for a distribution under the Plan. Nothing in this Section 9.4 shall be construed to authorize any amount to be distributed under the Plan at a time or in a form that is not permitted under Section 457 of the Code.

9.5 Release from Liability to Participant: A Participant's right to receive benefits under the Plan shall be reduced to the extent that any portion of a Participant's Account has been paid or set aside for payment to a spouse, former spouse, or child pursuant to Section 9.4 or to the extent that the Employer or the Plan is otherwise subject to a binding judgment, decree, or order for the attachment, garnishment, or execution of any portion of the Participant's Account or of any distributions therefrom. The Participant shall be deemed to have released the Employer and the Plan from any claim with respect to such amounts in any case in which (i) the Employer, the Plan, or any Plan representative has been served with legal process or otherwise joined in a proceeding relating to such amounts, (ii) the Participant has been notified of the pendency of such proceeding in the manner prescribed by the law of the jurisdiction in which the proceeding is pending for service of process or by mail from the Employer or a Plan representative to the Participant's last known mailing address, and (iii) the Participant fails to obtain an order of the court in the proceeding relieving the Employer and the Plan from the obligation to comply with the judgment, decree, or order.

9.6 Participation in Legal Proceedings: Neither the Employer nor any Plan representative shall be obligated to incur any cost to defend against or set aside any judgment, decree, or order relating to the division, attachment, garnishment, or execution of the Participant's Account or of any distribution therefrom. Notwithstanding the foregoing, if the Employer, the Plan, or a Plan representative is joined in any such proceeding, a Plan representative shall take such steps as it deems necessary and appropriate to protect the terms of the Plan.

Article 10 - Terms of Fund Investments

10.1 Use of Fund: Except as otherwise provided herein, the Fund shall serve as the exclusive investment vehicle for amounts held under this Plan. By executing an Adoption Agreement, each participating Employer shall agree to accept the terms and conditions of Fund investments set forth herein and to invest all Deferrals and Transfers with respect to its Employees in the Fund. Except as otherwise authorized by the Board, Fund investments shall be restricted to participating Employers that have adopted this Plan.

10.2 Administration of Fund: As provided in section 21677 of the Government Code, the Board has the exclusive control of the administration and investment of the Fund. As provided in section 21676 of the Government Code, the Board may retain a bank or trust company to serve as a custodian for safekeeping, recordkeeping, delivery, securities valuation, investment performance reporting, or other services in connection with the investment of the Fund. In addition, the Board may retain one or more investment managers or investment advisors to manage or participate in the management of the investment portfolios of the Fund. All expenses and fees incurred in the administration of the Fund shall be treated as Plan expenses under Section 11.4.

10.3 Investment Options: The Board shall establish such Investment Options as it deems necessary to provide Participants with a diversified range of alternatives, including but not limited to Investment Options of the type described in section 21673 of the Government Code. The Board may designate a “default” Investment Option under the Plan in accordance with the procedures and investment policy established by the Board. Each Investment Option shall be based upon the investment performance of one or a combination of separate investment portfolios maintained under the Fund. The Board shall specify the investment objectives and characteristics of each Investment Option and the corresponding investment portfolio or portfolios and shall provide Employers and eligible Employees with a written description of each available Investment Option. The Board, in its sole discretion, may add, eliminate, or consolidate Investment Options and corresponding investment portfolios from time to time. In the event that an Investment Option is eliminated, the Board shall provide prior notice of such elimination, and if the Participants whose Accounts were wholly or partially allocated to that Investment Option do not make a re-allocation, the Board shall re-allocate such amounts to the available Investment Option or Investment Options that the Board in its sole discretion deems most comparable to the eliminated Investment Option.

10.4 Fund Investments: Subject to the limitations of applicable law and such further limitations as the Board may establish, each investment portfolio of the Fund may hold any form of investment that is consistent with its investment objectives. Without limiting the generality of the foregoing, the investment portfolios may hold equity or debt securities (other than securities issued by any Employer), fixed or variable annuity contracts (including deposit administration contracts) issued by life insurance companies, certificates of deposit or fixed rate investment

contracts issued by a bank or similar institution, and such short-term instruments or deposits as the Board deems necessary to satisfy the liquidity needs of the Fund. In addition, each investment portfolio may hold shares, units, or participating interests in regulated investment companies, common or collective trust funds maintained by banks or similar institutions, investment partnerships, or other pooled investment funds or trusts that may issue participating interests to Eligible Deferred Compensation Plans. Notwithstanding the foregoing, the Board, in its sole discretion, may also permit Employers to elect to allow their Employees to invest in a Self-Managed Account. Amounts invested by a Participant in a Self-Managed Account will be retained within the Plan and a Participant may be required to sell or exchange such investments and/or transfer amounts invested through a Self-Managed Account into one or more Investment Options made available under the Fund before taking a distribution from the Plan. Unlike the Investment Options made available under the Fund, the investments available under the Self-Managed Account are not selected, reviewed, or monitored by the Board. The Board may eliminate the availability of Self-Managed Accounts at any time.

10.5 Valuation and Accounting: Each investment portfolio of the Fund shall be valued at least monthly, and the value of each Participant's Account shall be determined by reference to the portion of the Participant's Account allocable to each investment portfolio. The valuation of each investment portfolio shall reflect income received and accrued, realized and unrealized gains and losses, and allocable Fund expenses. The value of each Participant's interest in an investment portfolio may be measured in units, shares, or dollars. In addition, the Board shall maintain records showing the value of the Fund investments allocable to all Participants (and deceased Participants) whose entitlement to benefits under the Plan is attributable to employment with each participating Employer.

10.6 Redemption Restrictions: No Employer shall have any right to redeem, revoke, sell, or otherwise liquidate any contribution to or investment in the Fund, except as may be necessary to:

(a) effectuate a Participant's election to transfer all or a portion of his or her Account balance to another Eligible Deferred Compensation Plan pursuant to Section 7.3(a);

(b) effectuate a transfer of Participant Account balances to another Eligible Deferred Compensation Plan as part of an Employer's withdrawal from this Plan pursuant to Section 7.3(b); or

(c) correct an investment in the Fund made by reason of a mistake of fact.

Nothing in paragraphs (a) through (c), above, shall give any Employer the right to redeem, revoke, sell, or otherwise liquidate any Fund investment, unless the Board or its designee has been provided with adequate evidence of the Employer's right to do so.

Article 11 - Administration of Plan

11.1 Duties of Board: Except as provided in Section 11.3, the administration of the Plan shall be under the exclusive control of the Board. The decisions of the Board shall be final, binding, and conclusive on all interested persons for all purposes. No member of the Board shall be entitled to act on or decide any matters relating solely to himself or herself or any of his or her rights or benefits under the Plan. To the maximum extent permitted by law, each member of the Board shall be held harmless for all acts performed in good faith in connection with the Plan.

11.2 Delegation of Authority: The Board may delegate to any individual member of the Board, any employee or employees of CalPERS, or any independent contractor the authority to act as the Board's agent with respect to any matter within the control of the Board, provided that any such delegation of authority shall be subject to revocation by the Board. Any act that the Board is required or authorized to perform under the terms of this Plan, including any communication to be made or received by the Board and the adoption of any supplementary guidelines or procedures, may be performed by an agent of the Board, provided such person is acting within the scope of that person's delegation of authority from the Board. To the maximum extent permitted by law, each employee of CalPERS shall be held harmless for any act performed in good faith in connection with the Plan.

11.3 Duties of Employer: In accordance with procedures established by the Board, the Employer shall be responsible:

- (a) to assure that participation in the Plan is limited to Employees of the Employer and to make the Plan available to all eligible Employees;
- (b) to assure that Deferrals are properly deducted from the salaries and wages of participating Employees and remitted on a timely basis and as soon as reasonably practicable to the Fund and to report the amount of such Deferrals on Employee's wage statements in the manner required under applicable law;
- (c) to assure that Deferrals, taking account of amounts deferred under any other Eligible Deferred Compensation Plan maintained by the Employer, do not exceed the limitations described in Article 4;
- (d) to approve distribution elections and applications, including applications for withdrawals on account of Unforeseeable Emergencies, in accordance with the requirements of Article 6;
- (e) to assure that an Employee's Severance from Employment described in Section 1.20 is reported to CalPERS timely and in the manner prescribed by the Board.
- (f) to provide the Board with such information and in such form as the Board deems necessary for the proper administration of the Plan; and

(g) to carry out such other responsibilities as the Employer and the Board may agree.

11.4 Plan Expenses: The expenses of administering the Plan and Fund, including (i) expenses incurred by the Board in the administration of the Plan and Fund, (ii) fees and expenses approved by the Board for investment advisory, custodial, recordkeeping, and other plan administration and communication services, and (iii) any other expenses or charges allocable to the Plan or the Fund that have been approved by the Board shall be charged to the Fund or, as appropriate, to a particular Investment Option or Investment Options under the Fund and shall be reflected in Participants' Account balances as provided in Section 5.2. Brokerage fees, transfer taxes, and any other costs incident to the purchase or sale by the Fund of securities or other investments shall be deemed to be part of the cost of such securities or investments or deducted in computing the sales proceeds therefrom and shall be accounted for accordingly. Notwithstanding the foregoing, the Board reserves the right, as provided in section 21675 of the Government Code, to enter into arrangements with Employers under which specified administration costs are borne by such Employers or charged against additional Deferrals under Section 3.7 at the time invested in the Fund.

11.5 Communications from Participants: All enrollments, elections, designations, applications and other communications by or from an Employee, Participant, Beneficiary, or legal representative of any such person regarding that person's rights under the Plan shall be made in the form and manner established by the Board and shall be deemed to have been made and delivered only upon actual receipt by the person designated by the Board to receive such communication. Neither the Board nor the Employer shall be required to give effect to any such communication that is not made on the prescribed form and in the prescribed manner and that does not contain all information called for on the prescribed form. The Employer shall promptly furnish the Board or its designee a copy of any such communication that is delivered or transmitted to the Employer.

11.6 Communications to Employers: All notices, statements, reports, and other communications from the Board to any Employer shall be deemed to have been duly given when delivered to, including electronic delivery, or when mailed by first class mail, to the official of the Employer who has been designated by the Employer in connection with its Adoption Agreement (or as a modification of the information provided in connection with its Adoption Agreement) to receive such communications.

11.7 Communications to Participants: All notices, statements, reports, and other communications from the Board or an Employer to any Employee, Participant, Beneficiary, or legal representative of any such person shall be deemed to have been duly given when delivered to, including electronic delivery, or when mailed by first class mail, to such person at his or her last mailing address appearing on the Plan records.

11.8 Time Periods: As necessary or desirable to facilitate the proper administration of the Plan and consistent with the requirements of section 457 of the Code, the Board may further restrict the time periods during which a Participant or Beneficiary is required to make any election under the Plan, including the making or amending of a Deferral Agreement, the making or amending of Investment Option selections, the election of distribution commencement dates or distribution forms.

Article 12 - General Provisions

12.1 Amendment: Subject to the requirements of the Government Code, the Board reserves the right at any time to amend or modify the Plan without the consent of any Employer, Participant, or Beneficiary. The Board shall give notice of any such amendment or modification to participating Employers. Except as may be required to maintain the status of the Plan as an Eligible Deferred Compensation Plan under section 457 of the Code or to comply with other applicable law, no amendment or modification shall impair any individual's right to benefits under the Plan or expand any Employer's obligation to provide benefits with respect to amounts previously credited to Participants' Accounts.

12.2 Effect on Employment: Nothing contained herein shall give any Employee the right to be retained in the employment of an Employer or affect the right of an Employer to terminate any Employee's employment.

12.3 Binding Contract: The terms of this Plan, as duly amended from time to time, shall constitute a contract between each Participant and the Employer and shall be binding, as applicable, upon their heirs, administrators, trustees, successors, assigns, and Beneficiaries.

12.4 Supplementary Information and Procedures: Any explanatory brochures, pamphlets, or notices distributed by the Board to Employees, Participants, Beneficiaries, or Employers shall be distributed for information purposes and shall not override any provision of this Plan or give any person any claim or right not provided for under this Plan. Notwithstanding the foregoing, to the extent that the terms of this Plan document authorize the Board to adopt supplementary guidelines or procedures, any publication announcing such guidelines or procedures may be relied upon by the persons to whom it is distributed, unless and until modified by a subsequent publication. Any procedural requirement described in any such publication shall be binding upon the Employee, Participant, Beneficiary, or Employer, as applicable, to the same extent as if such requirement were set forth in this Plan document.

12.5 Incompetence of Payee: If an Employer or the Board shall find that any person to whom any amount is payable under the Plan is unable to care for his or her affairs, is a minor, or has died, any payment due him or her, or his or her estate, may be paid to his or her spouse, a child, a relative, or any other person having maintaining or having custody of such person, unless a prior claim therefor has been made by a duly appointed legal representative. Any such payment shall be a complete discharge of all liability under the Plan thereof.

12.6 Inability to Locate Beneficiary: Each Participant and each Beneficiary designated by the Participant (to the extent the Participant is deceased) shall be responsible for filing with the Board the Participant's or Beneficiary's (as applicable) current mailing address and other contact information that may be requested by the Board. Any communication, statement or notice addressed to a Participant or Beneficiary at the mailing address on file with the Board shall be binding on the Participant and each Beneficiary for all purposes of the Plan. If the Board notifies a Participant or Beneficiary at such mailing address that the Participant or Beneficiary is entitled to payment, and the Participant or Beneficiary fails to claim the his or her benefits or is not able to be located after reasonable diligence within three (3) years after such notification, the Participant's or Beneficiary's benefits shall escheat to the state of California, to the extent permitted by applicable law.

12.7 Applicable Law: This Plan shall be construed under the laws of the State of California and in conformity with the requirements of section 457 of the Code and all regulations thereunder applicable to Eligible Deferred Compensation Plans.
