

EMPLOYEE RETENTION IDEA #457: add this retirement plan

Like all employers, you know it can be a challenge to reward and retain the best workers. But did you know that's among the many reasons why over 700 public agencies and schools throughout California offer the CalPERS Supplemental Income 457 Plan?

What's in it for **you**?

- A new reason for your agency's employees to feel good about their jobs
- No cost to your agency
- When you say "yes" to the CalPERS 457 Plan, we take care of the rest

To help you manage your fiduciary responsibility, CalPERS:

- acts as the trustee of your employees' deferred compensation assets
- selects the investment options
- monitors contribution limits
- manages service levels with administrative service providers
- leverages existing payroll deduction feeds into my|CalPERS to receive your employees' 457 Plan deferrals and loan repayments

We are a not-for-profit public entity focused on educating your employees, not selling investment products.

Funds are managed internally by CalPERS in-house investment staff and external institutional investment managers under contract to CalPERS.

We offer value and fair pricing. To keep fees as low as possible, CalPERS does not engage in "revenue sharing" or "administrative expense reimbursement." Plan administration, recordkeeping and investment fees are all included in a simple and fair fee structure.
